

2011-2012 STUDENT DIRECTORY TUTOR FORM

SchoolPower's popular Student Directory is published annually and gifted to all 2,000 families in the Laguna Beach school district at the start of each school year. Full of student and school contact information, the Directory is a resource parents refer to consistently throughout the year.

A new feature this year is a **listing of local tutors** like the example below. For a \$50 fee, tutors will be included in the Directory listing which will also be posted on the SchoolPower website.

Tutors who place an advertisement in the Directory will receive a free boldface listing. (For advertising information and rates, which start at \$195, please contact the SchoolPower office.)
